

# A GUIDE TO THE EARLY INTERVENTION PROGRAMME FOR INFANTS AND CHILDREN (EIPIC)

## Referral process for EIPIC

### 1. Touch Points

KKH Department of Child Development (DCD), NUH Child Development Unit (CDU) or Private Paediatric Clinics

- **Doctor** recommends child for EIPIC, to maximize his/her developmental potential
- **Parents** submit EIPIC application form to the Touch Point
- **Touch Point** will submit the EIPIC application with relevant information on child's needs to SG Enable

### 2. SG Enable (SGE)

Provision of Information and Referral Services

- **SGE Case Officer** receives the EIPIC application; contacts parents to share information and discuss about choice of EI centres
- **Parents** decide on an EI centre
- **SGE Case Officer** refers child's application to EI centre of parent's choice

### 3. EI Operators

Social Service Agencies (SSAs) appointed, to provide EI Continuum (EIPIC, DS-Plus, Under 2s programme)

- **EI Centre** will contact parents to acknowledge child's application
- **Parents** may be invited to visit the EI centre. Subsequently, **child** will be scheduled for an intake assessment or screening
- **EI Centre** will notify parents regarding child's projected enrolment date and other matters such as pre-admission, fees, transport, etc.

## Some key factors to consider when selecting an EI Centre

### Location of Centre

- Home (*current or future area of residence*)
- Child's childcare or preschool
- Caregiver's location/ workplace

### Estimated Wait Time (EWT)

- EWT
  - from the point of SGE referral to child's enrolment
- Each EI Centre will update its EWT based on their centre's current capacity and resources

### Caregiver's Presence

- Based on EI Centre's assessment, an adult caregiver may be required to sit in with child during the session

### Transport Services

- Some EI Centres offer optional transport services
- Subjected to charges and availability
