

Integrated Child Care Programme (ICCP)

Service cum Fee Matrix

The Integrated Child Care Programme (ICCP) is an inclusive programme offered at selected mainstream childcare centres for children with special needs aged **2 to 6 years old** requiring a **low level** of EI support.

Please speak to your child's paediatrician or Medical Social Worker for assistance in submitting a referral to SG Enable; more information can be found on the SG Enable website.

While every effort will be made to place children in their preferred centres, acceptance into the ICCP programme at the preferred centre is subject to the number of vacancies at the centre and to the respective centre management's discretion.
